**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In today's world, Broadband is critical to everyday life. Being able to have choices in Broadband providers, in a healthy competitive market is the only way to offer customers competitive prices.

Don't kill broadband competition, don't make this market a quasi-monopoly, it is too important.
